

Operational Standard Policy

Chulalongkorn University commits itself to supporting, promoting, and maintaining internationally recognized standards for academic and research ethics through its policy as follows.

1. Chulalongkorn University expects its faculty, students, and staff members to comply with the highest ethical standards for academic and research work from the stage of production through the communication or dissemination of their works.

2. Chulalongkorn University allocates the necessary infrastructure, resources, and environment to support and promote the compliance of its faculty, students, and staff members with internationally recognized standards for academic and research ethics.

3. Chulalongkorn University has a mission to raise awareness of academic and research ethics among its faculty, students, and staff members.

4. Chulalongkorn University puts in place a mechanism for handling petitions on academic and research ethics in an efficient, transparent, and fair manner.

5. Chulalongkorn University continuously promotes collaboration to strengthen the efforts to uphold academic and research ethics.
